Note: Remember when placing your order all grape varieties ripen at different times. Therefore, not all orders can be ready for pick up at one scheduled time.

Early Ripening White Grape: Niagara, Seyval Blanc and Chardonnay

Early Ripening Red Grape: Concord, New York Muscat, Gamay Noir

Late Ripening White Grape: Vidal & Riesling

Late Ripening Red Grape: Cabernet Franc

Note: There will be no skins provided with your juice. If you would like skins with your juice, we suggest that you buy bushels and have them crush/destemmed.

### **Order Forms/Contracts**

Your order form/contract must be received before **September 16th, 2019**. If your order is received after this date, we may not be able to fulfill the order.

Orders are filled on a first come first serve basis.

### **Payment**

We require a 20% deposit with a minimum of \$25.00 be remitted at the time the order is placed. Order can be held with a Visa or Mastercard number, **however if you do not come in and pick up your order 50% of the total amount owing on your bill will be processed to your account.**

Payment can be made with cash or certified cheque. If you choose to pay with Visa or Mastercard 3% will be added to total amount owing as a service fee.

Failure to receive the deposit and a signed copy of the order form/contract (purchase agreement) will result in your order not being fulfilled.

### **Crush/Destemming**

A 10-bushel minimum crush order is required. The minimum can be made up of 1 or more varieties but will be crushed/destemmed at the same time. If you are requiring your order to be crushed/destemmed it must be stated on your order form. We can no longer crush and destem the following varieties: Concord, Niagara or New York Muscat. Therefore, if you would like to have juice from the three varieties you are best to order the fresh pressed juice.

The cost for crush/destemming is the following: \$75.00 set-up fee and \$2.50/bushel

### **Pick Your Own Grapes**

This is our first year in a very long time that we will be offering Pick Your Own Grapes. The varieties that it is available in are the following: Niagara, Concord and New Your Muscat.

You are responsible for bringing your own bushels, picking clippers (snips), gloves, etc. The price is bases on a bushel total weight of 55lbs, which is 50lbs of grapes and 5lbs for the bushel. Which will be weighed out in the vineyard. During picking Puddicombe Estate Staff will be monitoring the picking

procedure, to ensure all the grapes are harvested within the rows assigned and harvested properly to guarantee no harm the vines for the following years harvest.

### **Pick-up Procedure and Times**

All our customer pick-ups are on a pre-scheduled time (**on Saturday's during harvest**). When your order is ready for pick-up, you will be notified by phone. We will notify you as to the date, time and what varieties are ready to be picked up. If you fail to arrive at your appointment time you may be asked to wait till a later time during the day, as we must keep the schedule time and other customers happy.

IT IS VERY IMPORTANT THAT YOU NOTIFY US IF YOU ARE NOT ABLE TO ARRIVE AT YOUR SCHEDULED TIME. ORDERS THAT ARE NOT PICKED UP MAY RESULT IN THEM BEING SENT ON THE TRUCK TO WINERIES TO BE PROCESSED IF WE HAVE NOT HEAR FROM YOU.

Please remember, not all grape varieties ripen at the same time. Therefore, it makes it very difficult for us to fully complete some orders if you have later ripening varieties ordered with early ripening varieties.

Weekday pick-ups may be pre-arranged at the time of ordering. Failure to arrange weekday pick-ups prior to harvest time, results in not being able to guarantee scheduling.

Weekday hours for pick-up are 9:00am-11:00am & 2:00pm-6:00pm Monday-Friday.

Please remember **we do not provide any kind of container** for you to take your order home with you. You must arrive with your own bags, pails, totes or bushels due to the fact our containers stay at the estate, we do not provide containers.

### **Notes:**

- We do not supply customers with winemaking supplies. If you need yeast or other supplies, we suggest you contact a local You Brew Outlet close to you.
- If grape availability cannot be fulfilled due to Mother Nature and there are no other varieties, you would like we will refund your deposit.
- If grape availability cannot be fulfilled due to quantities of a particular variety are already gone before your order was received, you will be contacted and together we will figure out if there is another variety you may like that is similar to the variety you have ordered.

Thank you for ordering with Puddicombe Estate Farms & Winery, we look forward to helping you with your future grape and juice orders.

Sincerely yours,

*Lindsay Puddicombe*
