About Our Caboose

Our country caboose sleeps two adults with a queen size bed on the ground floor and a single mattress in the caporal for children. There is a fully equipped kitchen and three piece bathroom.

The difference between a B & B and a Farm Stay is; we leave you all the breakfast items that you can cook and eat when you would like, not when our farmer eats at 6:00am.

Our location is 40 minutes from Toronto and 30 minutes from Niagara Falls.

So whatever your plan or destination stop by Puddicombe Estate for one of the most unique and fun holiday memories you will ever have.
